WHAT YOU GET

REPAIR BECOMES A REPLACEMENT? YOU PAY FOR IT ONCE **BEST VALUE**

If a repair we make turns into a full replacement within 12 months, we credit **the entire repair cost** toward the new install. No proration, no partial credit.

ANNUAL WHOLE-HOUSE PLUMBING INSPECTION

We walk every fixture, supply line, drain, and shutoff in the house and give you a written rundown of what's solid, what's aging, and what to budget for.

ANNUAL WATER HEATER FLUSH

Sediment is what kills water heaters early. We drain and flush yours once a year to protect the tank and keep your hot water coming.

10% OFF REPAIRS

Applies to every repair we perform at your home for the length of your membership.

10% OFF REPLACEMENTS

Water heaters, fixtures, and full system replacements – the same 10% comes off the install price.

\$20 DISPATCH FEE

Members pay a flat \$20 to get a plumber to the door, any time you need one.

PRIORITY SERVICE

Members go to the front of the schedule.

THE DETAILS

- Membership runs 12 months from the date you enroll.
- Discounts apply to Precision-performed work; they don't stack with other promotions.
- Inspection and flush are scheduled during normal business hours.
- Covers one single-family residence at the address on file.
- Repair-to-replacement credit applies to the same system, within 12 months of the repair.
- Priority service means scheduling preference, not a guaranteed arrival time.
